

2024 Sauvignon Blanc

Russian River Valley • River Road Ranch

• 92 Points •

"Bright and aromatic, with jalapenos, white pepper, lime zest and grapefruit on the nose. The palate is mid-weighted with crisp acidity and a smooth texture, giving flavors of citrus, green apples and wet stones. Fresh and varietal."

"Hitting just the right balance between freshness and depth of flavor, this is very skillfully styled Sauvignon Blanc. Although it was made entirely in stainless steel tanks, the warm California sun imparted ripe aromas and flavors balanced between zesty citrus notes and warmer tones recalling tropical fruits along with a soft flavor akin to lemon curd."

-The Tasting Panel, Winter 2026

The River Road Ranch vineyard is located within the Russian River Valley AVA. The soil composition is Cortina, characterized as deep, well-draining soil composed mainly of gravel/sandy loam. This fast-draining soil leads to stressed vines that focus their energy on the grapes rather than leafy growth, resulting in more intensity and concentration.

Three generations farming premium wine grapes across five estate ranches for over four decades, the Trione family produce small lot, hand-crafted wines showcasing the best fruit from our vineyards.
