TRIONE *Vineyards & Winery*

Rustic Elegance in the Heart of Wine Country

Trione offers an outdoor only option for weddings up to 100 people. The outdoor space option includes: the bocce area (trellis, bocce courts, and full lawn set within the Cabernet Sauvignon vineyards), the courtyard in front of the Old Stone Building with fountain garden area, and the “get ready” room.

Please note rates will go up for 2022. Any contracts signed before 12/31/2021 will receive current pricing.

OPTION ONE

Sunday-Friday during peak season

Exclusive use of the entire outdoor space, vineyard & bocce ball
lawn area for your event from 4-8pm

\$5,000

OPTION TWO

Saturday during peak season

Exclusive use of the entire outdoor space, vineyard & bocce ball
lawn area for your event from 4-8pm

\$6,000

Trione Winery is flexible with delivery and pickup times, at no additional charge. There is no extra charge to be on site to receive rentals and we do not have specific load in and out time slots like most venues do. This flexibility will save the client on rental charges for specific drop off windows, which can become pricey.

Timing must be approved by management to ensure load in and out times will work for the working winery.
