We do elopements Monday-Thursday. Additional days (weekends may be available depending on the time of year, please inquire).

We do have a large space outdoors surrounded by vineyards where people can safely social distance for the ceremony. Masks will be required. For the toast portion, our redwood tables will make for a nice setting to sit and enjoy your company. Our bocce courts are also available to use. Masks are required during this time as well, except for when a guest is eating and or drinking. We like to suggest to our clients to ask their guests to wear their best, most unique mask or even have a mask theme to make it more fun!

Please let me know if you have any questions!

Best,
Jessie
